Subject: Approval of New Reclamation Surety, ECDC Environmental, LC, ECDC Clay Mine, M/015/062, Emery County, Utah

Dear Mr. Olson:

Enclosed with this letter is a copy of the signed surety bond for the ECDC Clay mine. This replaces the old surety which was issued by Westchester Fire Insurance Company, and the Division will return the old surety.

The Division has modified the reclamation contract form, and we would like to update the reclamation contract for the ECDC clay mine. A partially filled out copy is enclosed. We request that you have this signed by a person with ECDC who is authorized to bind the company. We also ask that you complete the fact sheet which is not officially part of the reclamation contract.

Thank you for your cooperation. If you have questions about this letter, please contact Penny Berry at 801-538-5291 or by e mail at [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov).

Sincerely,

Paul B. Baker
